Related Categories: Who's Who

Lorraine Flaherty is a practising hypnotherapist and Master NLP Practitioner who specialises in motivational work. She is currently writing a book on past life regression as a therapeutic tool.

She trained and subsequently lectured nationally and internationally for the London College of Clinical Hypnosis, and ran her own Masterclass entitled 'Empowerment through Archetypes'. She also regularly assists Richard Bandler and Paul McKenna with their NLP, weight loss and motivational seminars.

She has been involved in the world of personal development for many years and has successful private practices in central and south west London.
