Related Categories: Who's Who

A pioneer in the field of energy psychology, Fred P. Gallo, Ph.D., a clinical psychologist, has taught at Pennsylvania State University and is the author of *Energy Psychology*, the book that first brought serious professional attention to the field. He has also written three other professional books, a popular self-help book, several training manuals, and numerous articles and book chapters. Among his other works are *Energy Psychology*; *Energy Diagnostic and Treatment Methods*; *The Neurophysics of Human Behavior*; *Energy Tapping*; and *Energy Psychology in Psychotherapy*. He is the founder of "Energy Diagnostic and Treatment Methods" (EDxTM) and "Energy Consciousness Therapy." He teaches these and related approaches internationally. He maintains a private practice, Gallo & Associates, in Hermitage, PA.
